ESSER III Overarching Outcome	Address student needs arising from the coronavirus pandemic and/or to emerge stronger post-pandemic, which may include reopening schools safely, sustaining their safe operation, and addressing students' social, emotional, and mental health.	X	X	
Unfinished Learning Outcome (at least 20%)	Address unfinished learning through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups (each major racial and ethnic group, children from low-income families, children with disabilities, English learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care). STRATEGY

Strategy #1	Time & Attention: Provide opportunities for additional, targeted learning to close learning gaps and accelerate growth for K-12 students not meeting proficiency and having behavioral issues that is affecting academic progress.
Strategy #2	Health and Safety: Implement measures that effectively ensure the health, safety, and well-being of students and staff while providing onsite education. Additional PPE and safety, which could include providing staffing were potential supervision gaps are occurring because of increased behavioral issues and also safety protocols.
