2019

Happy December!

Opportunities to Give

If you watch videos on YouTube you might have heard about teamtrees.org by now. A group of YouTubers are trying to help our environment by raising \$20 million dollars to plant 20 million trees around the world by Jan 1, 2020. We have already planted a tree on our campus! We want to help them and help our environment by raising \$1,500 within the Banks School District to donate to this project. We are hoping to reach our goal before we all leave for Christmas break. Please check out the poster, and donation jar in the lobby of the middle school. Every dollar counts! Please donate and share your support with others today!

We will be raising money for "Pennies for Patients" from Dec 2 through Dec 13. The mission is to cure leukemia, lymphoma, Hodgkin's disease and myeloma. Our goal is to raise \$1,000. Donations are collected in the classroom. Whichever class has the most donations wins a prize. The competition will be between the homerooms and advisory classes.

NJHS winter service project is dedicated to collecting items for Homeless Shelter Kits. Each advisory class has a list of items to bring to their box. That list is posted around the school. If you have questions or want to contribute, contact Mrs. Dotson, NJHS advisor.

Citizenship

Your child's progress report will have a citizenship mark for each class. Please take a look at this and encourage your child to be the best citizen they can be. Our goal is to build and support habits that will help them be successful in life.

Immunizations

If you received an immunization notice from the office, please take care of the immunizations before EXCLUSION DAY on Feb. 21, 2020. Thank you!

Santa's Breakfast

Join us for our Annual Santa's Breakfast provided by our BMS PTO. It will be held at BES on Dec 14 from 8:00 - 11:30. The PTO has worked very hard to make this a great event! Thank you BMS PTO!

Important Dates

Dec 6th - No School

Dec 12th - BMS/BHS Winter Concert

Dec 23rd - Jan 3rd - Winter Break
