

## 4th and 5th graders

April 14, 2020

Hi students and parents,

I hope all of you had a chance to play and work outside in this sunshine. I have never seen weather like we had last week in April. I loved it! The homework that I assign is meant to act as a review for the students. Even if new information is presented, the type of assignments I send are familiar to the students. If a student needs help or just wants to check in with me, I am happy to talk by phone, email, or I can set up a Zoom meeting. Please do contact me with any questions. Have a great week!

**Office hours:**

## 5 senses writing activity, part 2

Last week, I asked you to write about things that you hear, taste, smell, touch, and see. This week, I want you to write lists of words that describe the 5 senses. You will then write sentences using some of those words. **\*Please take a picture of your work and send it to my email when you are done.**

Words that describes smell:

\*Example: stinky

---

---

---

Words that describe sounds you hear:

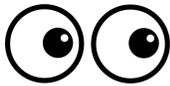

\*Example: loud

---

---

---

Words that describe things you see:

\*Example: sunny

---

---

---

Words that describe flavors you taste:

\*Example: juicy

---

---

---

Words that can describe what you feel when you touch an object:

\*Example: scratchy

---

---

---

Now, circle your favorite word from each list above, and write a sentence about that word. Read my example below.

**Example:**

*Favorite word for smell*  : stinky

*Sentence: A skunk smells stinky.*

1. Your favorite word for smell  : \_\_\_\_\_

Sentence: A \_\_\_\_\_ smells \_\_\_\_\_.

2. Your favorite word for sound  :

Sentence: A \_\_\_\_\_ sounds \_\_\_\_\_.

3. Your favorite word to describe what you see  : \_\_\_\_\_

## Compare and contrast sentence frames

When **comparing** two topics you are talking about how those things are *alike*, the *same*, or *similar*.

When **contrasting** two topics you are talking about how those things are *different*.

Use these sentence frames to help you compare and contrast **living in the city** vs. **living in the country**. Then choose your favorite sentence from each section, and write it

### Compare: alike, same, or similar

1. Both the \_\_\_\_\_ and the \_\_\_\_\_ have \_\_\_\_\_.
2. \_\_\_\_\_ and \_\_\_\_\_ are alike because they both have \_\_\_\_\_.
3. \_\_\_\_\_ and \_\_\_\_\_ are similar because they both have \_\_\_\_\_.
4. \_\_\_\_\_ and \_\_\_\_\_ both have \_\_\_\_\_.
5. One similarity between a \_\_\_\_\_ and a \_\_\_\_\_ is that they both have \_\_\_\_\_.

### Contrast: Different, difference

6. \_\_\_\_\_ and \_\_\_\_\_ are different because \_\_\_\_\_.
7. A difference between a \_\_\_\_\_ and \_\_\_\_\_ is that a \_\_\_\_\_ has \_\_\_\_\_ but a \_\_\_\_\_ has \_\_\_\_\_.

Write your favorite comparison sentence, and your favorite contrast sentence on the lines below. Then, take a picture of this page, and send it to my email.
