

**Distance Learning \***

The district supports distance learning as a viable methodology for delivering direct classroom instruction, program enrichment and staff development.

Licensed teachers may be assigned to a distance learning program without additional license requirements. Teachers offering instruction via live, interactive satellite must hold a current license either from the employing state or Oregon and pass a nationally recognized basic skills test.

The district may contract with the Superintendent of Public Instruction to provide online courses through the Oregon Virtual School District. The district may also allow students to access the online courses offered by the Oregon Virtual School District.
