Kindergarten Distance Learning Calendar for the week of May 11th.

As you complete activities, please check them off in the boxes below. We understand family circumstances are all different, so please use this as it best fits your family and complete what you can. On Friday, send a picture of this calendar page to your teacher through email or Bloomz Portfolio. At the bottom, we have added another homework return option. You can also turn it in on Monday when you pick up the next week's packet.
